Chutzpah 101 is a 5-modules intensive, empowering and thought provoking learning experience. Prepare to question, explore, reflect and train intellectual and emotional muscles like never before.

Each one of the following modules addresses a key aspect of the future of work, as well as three relevant skills.

- Module 1 – Asking Questions
- Module 2 – Embrace Uncertainty
- Module 3 – In Hebrew there is an 'I' in 'We'
- Module 4 – Failure is an Option
- Module 5 – Make It Happen

Living with chutzpah provides the opportunity to constantly practice the soft skills defined by the World Economic Forum as the skills for the future.

Chutzpah 101 offers proven strategies for success to business executives, team leaders, managers and young professionals alike.

In **Chutzpah 101** you will:

-  Unlock your **creative potential**
-  Challenge **your assumptions**
-  Strengthen your **innovation skills**
-  Unleash the power of **collaboration**
-  Train yourself for the **future of work**
